

Gabrielle Silgalis joined Marlin Steel in 2018 as a Human Resources / Special Projects Manager. A lifelong Maryland resident, Gabrielle graduated from Towson University in 2016 with her Bachelor's of Applied Science degree in Psychology. Having always been fascinated with the human experience, she attended University of Baltimore, receiving her Master's degree in Applied Psychology, Industrial / Organizational Psychology in 2018 and a certificate in Global Industrial and Organizational Psychology in 2020. While completing her Master's program, she worked with a variety of different organizations such as the MD State Police and the National Aquarium. Gabrielle has a SHRM-SCP certification.

One of Gabrielle's proudest accomplishments was assisting in getting over 3,000 manufacturing employees vaccinated against COVID-19 in March 2021. In her spare time, Gabrielle loves reading, travelling, biking, and volunteering at local animal shelters and the Lithuanian Hall.
